## Virtual & Hybrid Event Platform

In order to bring the change or upgrade the way we do our events & meetings, to keep spreading knowledge and exchange ideas, we at Indiattitude are all set to offer end to end solutions/platform for your Virtual Meetings and Events Requirements.

Transform your in-person conferences & events into digital events with Virtual Event Platform.

We aim to make your virtual events equal actual events through our unique Virtual Events Platform. Give your virtual meetings an online address. Most online events are basically webinars, our's unique proposition is the ability to have many to many interactions just like real life events. Attendees can review other attendees, send them meeting request, chat and exchange business cards.

A virtual event fosters the interactive environment of a physical event. Attendees can assemble online from their respective geographic locations and have an experience that is strikingly similar to physical events but comes without the need of travelling.

### Web Based 2D Platform

Host your virtual conference & engage Audiences with trusted 2D Platform, with engaging online event experiences and reach a wide range of audience.

### Virtual 3D Platform

Transform your live event into a fully realized online 3D experience, with easy access to plenary, breakout sessions, 3D exhibitions, networking lounge and much more.

### Hybrid Event

Hybrid Event technology allows us to bring your event to a whole new level. We can place your guests in front of backdrop like a physical event.

## Exhibitions & Events

Exhibitions are a key tool to generate new business as well as to showcase your accomplishments, new initiatives and create public awareness about causes and achievements. Therefore, most major conferences/industry gatherings are invariably accompanied by an Exhibition to add impact. Apart from this, most industries and industry associations regularly hold their local/national and international exhibitions at fixed/rotational venues. These exhibitions often witness tremendous footfalls and business development/networking scope for all participants.

Over the course of our journey, we have understood this aspect of the industry perfectly and mastered the art of delivering excellent exhibitions that add value to conferences as well as stand alone Expos that achieve the desired results for all exhibitors. Our high value and result oriented services for the Exhibition industry include the following:

- Design theme conceptualization
- Website and Communication
- Venue selection and contracting
- Accommodation management for Exhibitors.
- Audio – Visual management
- Signage management
- Production of brochures/display and other related materials for the exhibitors.
- Food and Beverage
